

Here are the assignments for the Concession Stand this season.

I will try to send this out periodically to remind you, but please make a note of your date. If you can't make your game, please try to switch with someone. If you have no luck, please let me know asap so I can try to get someone else. We don't have a lot of extra people, especially for the varsity games so please don't be a "no show." As you can see, we still need a few more volunteers for the Varsity games. We need at least 2 volunteers for Jan. 21st. Also, on Feb 14th we need another volunteer for the Freshman game. Please let me know asap if you can volunteer. Thank you!
